

304 Stainless Steel Exit Button With LED

S87022L

what is Exit Button ?

(eXit button) Also called a "close" or "exit" button, clicking or tapping the X removes the current window, dialog box or popup message from the screen.

What is a request to exit switch?

Request-to-exit (REX) devices are used in conjunction with access control systems to ensure that tenants are able to freely and safely exit an area. Many options such as exit buttons, hands-free infrared, or touch sensitive devices make it an ideal choice for releasing maglocks or door strikes.
